

EHS and Quality Policy

POLIOLES S.A de C.V. is a petrochemical company where all of us are responsible for:

- **Safety**
- **Quality**
- **Ecology**
- **Sustainability**

Working together with our partners, customers, collaborators, suppliers, distributors, contractors, and other stakeholders; we are committed to providing safe and quality products and services at all stages of the process to add value to our clients based on integral solutions, exposure reduction and risk analysis, from the transportation of raw materials to the application of finished products including security in supply chain.

Our processes are directed towards continuous improvement, appropriate use of resources and high-quality standards in the market, in accordance with:

- **Responsible care**
- **Responsible Care Management System**
- **ISO 90001:2015**
- **Applicable Legislation and Regulations**
- **CTPAT & OEA**
- **Kosher (some products)**

We work and accomplish our commitments to reach our goals:

- **Zero accidents**
- **Risk exposure reduction**
- **High quality standards**
- **Client satisfaction**
- **Sustainability (Appropriate use of the natural resources and respect for the community)**

A handwritten signature in black ink, appearing to read 'David Coindreau Garza', written over a horizontal line.

DAVID COINDREAU GARZA
